What Medical Debt?

DOUGLAS HOLTZ-EAKIN | SEPTEMBER 25, 2023

You gotta hand it to the supremely principled Biden Administration. With hospitals, it is pursuing utter transparency of pricing decisions. The same holds for the legislative efforts it supports regarding pharmacy benefit managers. Then there are its efforts to shine a bright light on every “[junk fee](#)” hiding in the corners of the economy. And don’t forget the incredibly burdensome-without-any-benefit new disclosures the Federal Trade Commission is proposing for the [Hart-Scott-Rodino Act](#). I could go on.
