Percentage of Students Scoring “Proficient” or Higher Declines Across Subject and Grade

The chart below shows the percentage of students scoring “proficient” or higher on National Assessment of Educational Progress (NAEP) by subject and grade for 2019 and 2022. In 2022, across all four NAEP tests, the percentage of students scoring proficient or higher decreased, meaning that more students scored at “basic” or below compared to 2019 levels.
