Housing Chartbook Q3 2024

PAULINA ENCK | NOVEMBER 12, 2024

Home prices are expected to remain elevated and inventory low heading into the final quarter of 2024, with demand predicted to remain strong even in what is traditionally the quietest season for homebuying. Director of Financial Services Policy Thomas Kingsley provides an up-to-date survey of mortgage rates and originations, housing permits and starts, construction, vacancies, and prices.
