New #Eakinomics Video Explains Why U.S. Companies Move Overseas

MARISOL GARIBAY | JULY 8, 2014

As part of the #Eakinomics video series, the American Action Forum (@AAF) today released a new video that explains why U.S. companies decide to move their headquarters overseas after a merger. In the #Eakinomics video, AAF President Douglas Holtz-Eakin explains what a tax inversion is, the reasons driving companies to move their headquarters, and what can be done to stop inversions.
